Reports

Minutes of the April 2016 meeting were approved with a motion made by Shaltz, seconded by Russo. Ayes: all.

Unfinished Business

COUNTY MASTER PLAN Shaltz suggested that pages 70-72 need to be addressed by all, especially for future grants. Russo suggested getting permission for extra compensation for these board members, as needed, in updating the plan. All agreed it would save the county a great deal of money to have it done in-house by us.

Correspondence

- none

New Business

Expiring TERMS of Carl Seils & Harold Williams as of June 2016. Seils gave his desire to continue and Williams did at this meeting. Russo will have them both on the county commissioners agenda for renewing their terms until 2019.

For the Good of the RCPC

The need and requirements for a county planning commission was discussed; consensus was definitely a yes.

Williams confirmed that with too many submissions, the flow is not being adhered to. All agreed and it was suggested to have the county commissioners draft a letter to all township supervisors, clerks and planning commissions reminding them of the structure—township planning; then a copy to this county planning commission with representation by the township at our next scheduled meeting; then on to the township board for their final approval. All agreed by consensus.

Meeting adjourned at 7:30pm with a motion by Shaltz, seconded by Russo.
