

RECYCLING IN YOUR TOWNSHIP

Recycling Coordinator: County Bldg., 500 Lake St, Roscommon, MI—Mon. & Wed. 8:30-4:30

Most township recycling centers take cardboard (corrugated & deconstructed), paper, newspaper, cans, glass, and plastics #1 & #2. Call your township for specifics. If your township is not listed, they do not have a recycling program. It may be worthwhile to give them a call and voice your recycling needs.
