THE PEOPLE OF THE COUNTY OF ROSCOMMON, STATE OF MICHIGAN DO HEREBY ORDAIN:

**ARTICLE I
PURPOSE, FINDINGS AND POLICY**

The County of Roscommon deems that the ownership of an animal carries with it responsibilities to the County and its residents with regard to care and control of such animals. In interpretation and application, the provisions of this Ordinance shall be construed to impose a primary responsibility for compliance therewith on the owner of such animal. The County of Roscommon concludes it advisable to adopt a revised Animal Control Ordinance in the interest of protecting public health and safety, promoting the welfare of animals within Roscommon County and providing for the orderly and uniform administration of the provisions of Act 339 of the Public Acts of 1919, as amended. The Board of Commissioners finds that the presence of vicious animals, as defined herein, within Roscommon County creates an increased danger to public health and safety and to the welfare of other animals. The Board of Commissioners, in recognition of the reallocation of governmental functions brought about by Act 139 of the Public Acts of 1973, hereby assigns the Animal Control Division, under the direction of the Animal Control Officer, to the Department of Administrative Services. It is the policy of the Board of Commissioners that this Ordinance shall be vigorously enforced, to the extent that financial means permit such enforcement, whenever the activities of animals and their owners within Roscommon County directly endanger human life and whenever animals subject to protection by state law or this Ordinance are cruelly or inhumanely treated.
