Vance Stringham, Director of Central Dispatch
Roscommon County Central Dispatch
500 Lake Street
Roscommon County, MI 48653

Dear Director Stringham,

In regard to the Roscommon County Public Safety Software Solution RFI, [REDACTED] has the following questions:

1. Please provide the following information for each of the agencies listed in the RFI? A chart has been created for the County's ease of entering.

	Number of Mobile Units (vehicles)	Number of Jail beds/Jail bed equivalents	Number of Law Civilians (admin. staff, records clerks, non-sworn officers)
Roscommon County Sheriff's Office			
Denton Township Police Department			
Gerrish Township Police Department			
Richfield Township Police Department			
Roscommon County Central Dispatch			

2. Could you please confirm if each agency would like the capability to view Calls for Service at their respective stations? **YES - Desired Functionality**
 3. What will be the AVL source (embedded in MDTs, Radios, Sierra Wireless, Cradlepoint)?
Not Yet Determined
 4. Regarding data conversion, what type of information needs to be converted (please provide for each agency that needs conversion)?
 - CAD records (calls for service, unit dispatch history) **Roscommon Central Dispatch**
 - RMS records (incident/case reports, property/evidence, warrants, citations) **All Law Departments**
 - JMS records (jail bookings) **Roscommon County Sheriff Department**
 - Civil records (garnishments, seizures, subpoenas) **All Law Departments**
 - Administration records (equipment, inventory, fleet management, K9) **All Law Departments**
 - Personnel records (training, certifications, commendations) **All Law Departments**
 - Document Management System (DMS) **Not Yet Determined**
 - Any other not listed above?
-

5. Also, regarding data conversion, will the County please provide the following information?
- Name of the vendor **Multiple - CentralSquare, Core Technologies, Calibur**
 - Type of Database Management System (DBMS) **CentralSquare, others unknown**
 - Size of attachments **Unknown**
-
